

Aim: To create a simple cloud software application for Flight Reservation System using any Cloud Service Provider to demonstrate SaaS

The image shows two screenshots of a web application for flight ticket booking. The top screenshot displays the 'Travel Details' form, and the bottom screenshot displays the 'All Personal Details' report.

Top Screenshot: Travel Details Form

The form is titled 'Travel Details' and includes the following fields:

- From:
- To:
- Journey Date:
- Journey Class:
- Seat Type:

Buttons: Submit, Reset

Bottom Screenshot: All Personal Details Report

The report is titled 'All Personal Details' and displays a table with the following data:

Name	Email	Phone	Address	Date of Birth	Gender
SASANK MENDU	sasankmendu@gmail.com	+918688565483	Door no:20/21-6, Narasimha Nagar, Krishna, Andhra Pradesh, 521002, India	26-Jan-2004	Male
